Soroptimist and Leadership

We want to help women grow into strong, independent leaders. We work to increase the presence of women at all decision-making levels of society. You could be one of them!

Soroptimists work together at local, national and international levels to educate, empower and enable women and girls to improve their lives. We are an international network of some 72,000 women, who are powerful and effective advocates of women's and girls' rights.
