44.218* people lost their lives

1864 children without any parents.

160.000 buildings collapsed or were severely damaged

3 Soroptimist Clubs 124 members

Adana
Antakya
Seyhan

Action plan:

- 1- Meeting about disaster management strategy within our union***
- 2- Connection with club members in the quake zone.***
- 3-Sending the necessary supplies to the earthquake zone***
- 4- A call for donations***

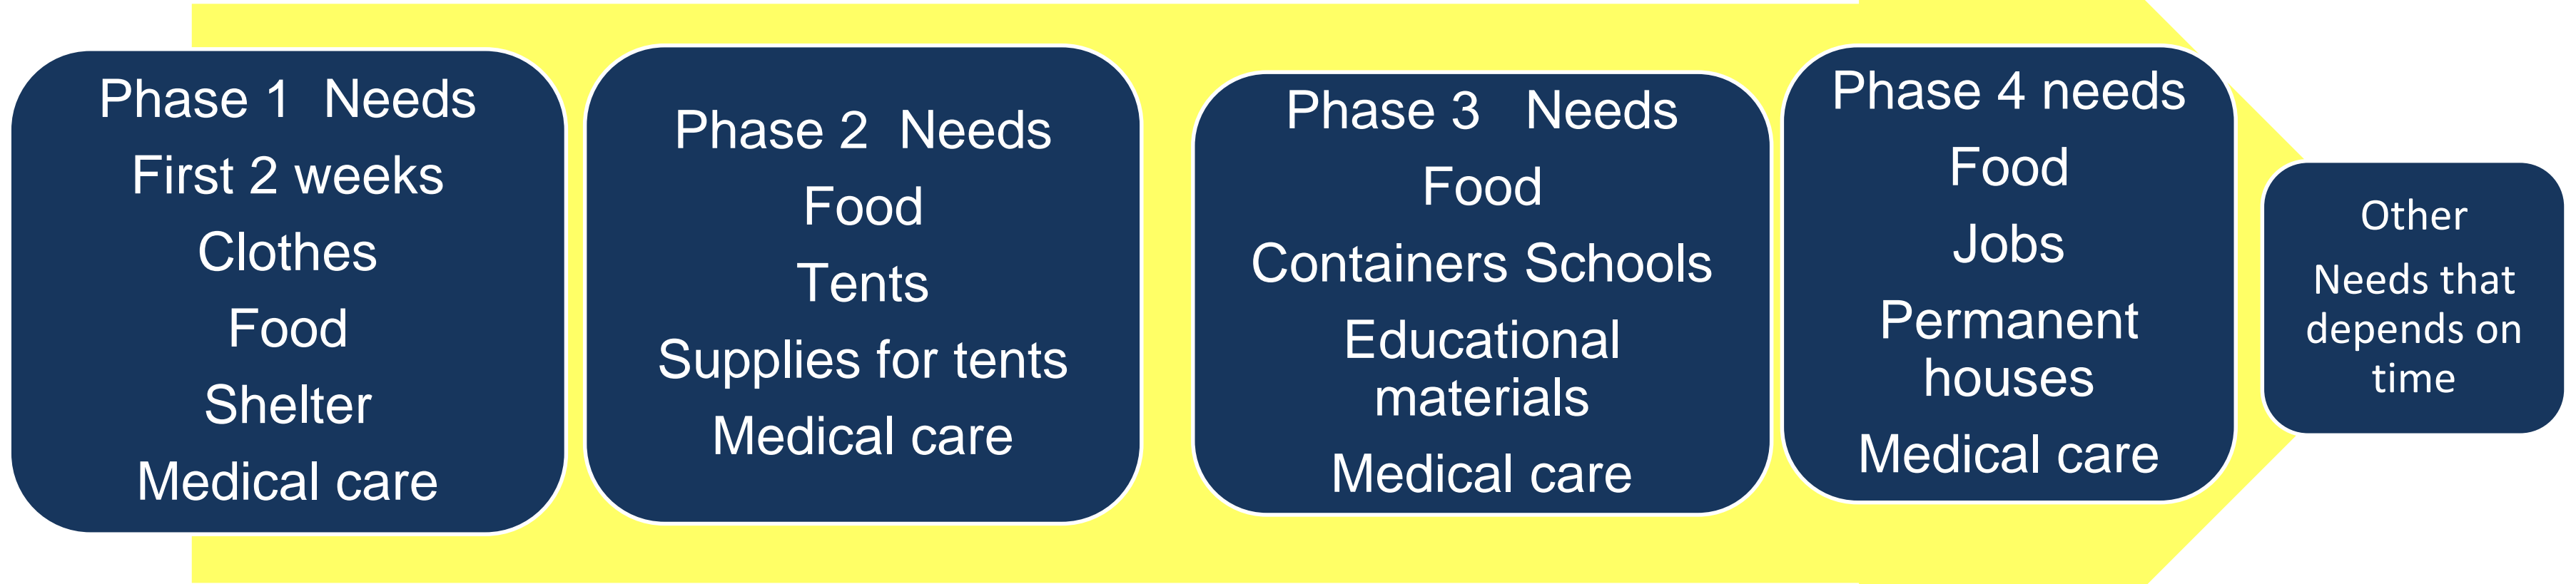

4- Organizing a psychological first aid webinar for our members

On the evening of February 17, clinical psychologist Şebnem Dal Üzülmez, a member of our Denizli club, presented a webinar on psychological first aid. Psychological first aid (PFA) is a technique used to reduce the occurrence of post-traumatic stress disorder.

5- Research visits to the region for need and situation assessment

On Saturday, February 25, a visit was organized to the districts of Kırıkhan and Samandağ to assess the needs of those affected by the earthquake on the spot and to determine what they require in the area, with a particular focus on women and children. These visits will continue.

A strategy to support the earthquake victims in line with their needs

Supporting female producers by purchasing their products
-  ***Plans for the earthquake victims in environmental issues***
Providing water tanks in remote villages.

These contributions will be used in accordance with Soroptimist principles and objectives and in our priority areas of work and to improve the lives of women and children.

We will continue our efforts to ensure that what is achieved with the support, is permanent and has a one-to-one impact on individuals.

Everything is still new. Therefore, we need some time. We'll let you know what we've accomplished.

On behalf of Turkish Union and
Turkish people,I would like to
express my heartfelt gratitude to
all my sisters all over the world for
your kindness, sympathy and
generous support.

You will always be cherished and remembered

Thank you

Special thanks to President Carolien Demey and
